GREETINGS PARENTS!

What a fun and silly week we had celebrating Dr. Seuss! Our classroom was filled with rhymes, laughter, creativity, and hands on learning as we explored some of our favorite Dr. Seuss books together.

The Cat in The Hat - We made our own Cat in the Hat striped hats and played a fun Cat in the Hat math game to practice counting and number recognition.

Fox in Socks - We created sparkly paper socks using glitter glue, crayons, and pom-poms, then hung them on a classroom cloths line, just like real laundry!. We also made a rhyming basket by collecting classroom items that rhyme and placing them together to practice listening to rhyming words.

Green Eggs and Ham - We tried something new and made green eggs and ham together as a group! The children enjoyed cracking, mixing, and helping prepare our special snack before tasting it.

One Fish, Two Fish, Red fish, Blue Fish- We created a class book titled "Our Silly Fish". Each child designed their own silly fish page, and we proudly read our book out loud together. We also played a gold fish sorting game.

Our Spiritual focus for the second week of Lent was learning to love one another. We practiced using kind words, helping a friend who feels sad, and role played ways to be a good friend. The children worked on noticing others' feelings and thinking about how they can show kindness through their word and actions.

We are so proud of how the children participated, tried new things, and supported one another this week. Thank you for encouraging a love for reading at home.

Many Blessings,

Mrs. Evans, Mrs. Slating and Mrs. Norton
