# Preschool Newsletter

This week our classroom explored the beautiful theme of culture and diversity! We began by learning how to say "hello" in different languages- hola (Spanish), Bonjour (French), ciao (Italian), and jambo Swahili/African greeting). The children loved practicing these new words and discovering how people around the world greet each other.

As a class we worked together to create a large Earth mural. Each child helped color a section, choosing green for land or blue for water. Then we each selected a crayon that best matched our skin tone to color a person outline. We placed our figures around the large Earth, proudly displaying how we are all unique and special, yet part of one big world.

Our exploration continued as we learned about Mexico! We had a special visit from Noeline's mom, who showed us how to make homemade tortillas using corn flour, water and a special tortilla press. The children enjoyed seeing the process and learning about this important cultural tradition. A big thank you to Noeline's mom for sharing this experience with us.

Save the Date: Friday May 15 from 12:30-1:30. You are invited to join us for our End-of-the-Year Picnic on the upper playground (the big kids playground). Please bring a lunch filled picnic basket and blanket as we enjoy quality time together with our children and families. All siblings are welcome.

Many blessings,  
Mrs. Evans, Mrs. Slating, and Mrs. Norton

## Important Dates:

- **May 15 End of Year Picnic  
12:30-1:30 PM**
- **May 22 Last Day of  
Preschool (Half Day)**

---

## Learning Objective:

**Social Studies**  
**Demonstrates knowledge  
of self**
