BREAKFAST FOR BOOKS!

Thank you to Brad and Kristine Albert for hosting Breakfast for Books at St. Mary Hall last Sunday after morning Mass. They raised over \$700 for our school library! We are grateful for their support!

It takes more than tuition to make St. Charles possible.

Here's a closer look at what it actually costs to educate a student at St. Charles compared to K-8 tuition.

Family Size	Tuition Paid by family	Cost to Educate	Additional Support Required
One child	\$4,400	\$7,200	\$2,800
Two children	\$7,100	\$14,400	\$7,300
Three or more	\$8,100	\$21,600 +	\$13,500 +

Tuition does not cover the full cost of education. We are grateful for the generosity of our parish, fundraising efforts, and donors, which allow us to continue our mission of providing a faith-filled and accessible education for our families.

Note from Mrs. Saladin

Dear St. Charles school families,

What a beautiful week for our St. Charles community. Last Sunday, we celebrated our second graders receiving their First Holy Communion. Seeing them receive Jesus in the Eucharist for the first time is always such a special moment. It's a reminder of who we are and what matters most. We are so proud of these students and grateful to everyone who helped prepare them so thoughtfully.

As we head into Teacher Appreciation Week, we recognize the people who help make moments like this possible. Our teachers care deeply about your children and their formation. They show up each day ready to teach, guide, and walk alongside them in faith, academics, and service.

I am so grateful for our teachers and the way they pour themselves into this work. I feel truly blessed to be part of a community with such dedicated staff and supportive families. Thank you for all you do to support our school and for trusting us with your children.

Peace,
Mrs. Saladin
