Thursday - Last day of school - half day, Spring Concert at 10am in the gym!

Friday - First day of summer vacation!

Thank You!

Thank you for all of your support and help this year! It is always so rewarding to see how the students progress throughout the year, especially in reading, writing and math! They are all working independently and are ready to move on to second grade. I will really miss them, but they will enjoy Mrs. Kemp next year! Thank you again for everything! God is so good! Enjoy the summer!

Summer Skills

Please encourage your child to read and practice math facts throughout the summer. It is amazing how much students can lose if they do not read and practice math skills daily. PLEASE, I strongly encourage you to set aside at least 30 minutes each day to practice math facts and read daily. It will make a difference. Make it fun! Read with a flashlight, under a tree, in a tent, or call grandparents and special friends and read to them! A special writing journal with fun pens will help encourage writing too! Create books or write letters to friends! IXL is wonderful for math and reading. When you are going on long drives, give your child different math problems! They will enjoy it! The Superkids reading packet will be helpful too! Have a great summer!

Fun Day T-shirts

Our wonderful PTO has purchased t-shirts for all of our students for Fun Day, which is Wednesday, June 3rd. The students do not need to wear uniforms on that day. They can wear shorts and a t-shirt. **I will keep the Fun Day t-shirts at school and bring them to St. Mary's on Wednesday so that your child will be able to change into them.** Lunch will also be provided by the PTO. The students will play games and have an enjoyable day. Thursday will be our last day of school. We will have the spring concert at 10am in the gym and dismissal will be after the concert. I look forward to seeing you there! I am really going to miss my fabulous firsties! Have a wonderful summer and thank you again for a wonderful year!!! God Bless You!
