Book It Program

We will participate in The Pizza Hut Book It Program this year. It will begin on October 1st and end on March 31st. I will put a Book It Calendar in your child's homework folder every month. Please have your child, color the picture on the days he/she has read at home for 10 minutes or more and please keep it in the homework folder. If your child reads 15 days or more that month, he/she will earn a pan pizza from Pizza Hut. I will send the coupon to you each month when your child meets his/her goal. Thank You and Happy Reading!

Student of the Week

Eliza Rewa is our special student of the week. She is the youngest in her family and has five older siblings. Eliza is very artistic and loves to draw. She enjoys running outside, playing games, singing and dancing. She also likes camping with her family, including her cousins, aunts, uncles, and grandparents. When she is older, she would like to be a gym teacher and a crossing guard. Eliza loves school and she enjoys making applesauce with her sisters. Her favorite restaurant is Applebees and her favorite food is pizza. Way to go, Eliza! We are so proud of you!
