From Ms. Kemp...

Things are rolling right along in 2nd grade! We've started MAPs testing and will continue for the next two weeks. 2nd graders take the reading, math, and language usage tests. You will receive your student's scores after the testing window has closed.

Please practice the Morning Offering and Act of Contrition prayers at home each week. 2nd graders are expected to recite both prayers from memory.

**St. Charles Borromeo School is a
Catholic community of faith,
academics and service for all.**
