From Ms. Kemp...

Thank you so much for your prayers and patience during my absence due to the death of my former husband. I appreciated the time and space to begin grieving, but knowing that I would return to my classroom full of the most wonderful students was such a comfort to me. Thank you for raising such great kids!

As we head into October we will start preparing for First Reconciliation. Look for practice materials in your student's homework folder soon.

academics and service for all.**
