September 12, 2026†

Dear Parents,

The days are getting shorter, and we are only 10 days away from fall. We took a walk around school this week and the kids found a lot of leaves that have already changed color! The days will start getting cooler, and our classroom can get quite chilly, so please send in a school sweater for your child. They can leave one here, or bring it back and forth, whatever works best for you. Please label sweaters, as the kids have a hard time identifying them.

Charity Jean/Shorts Day.

Our first Charity Day of the year is here! Students are asked to bring a monetary donation for each of our monthly charities. This month we will be collecting money for our Saturday Morning Meal program, held here at St. Charles. This program helps to feed members of our community, and is always in need of donations and volunteers.

Students may wear jeans/shorts with a shirt of his/her choice. In other words, they can be out of uniform for the day.

Thank you for your support!

Thank you for supporting our PTO mum fundraiser! Orders can still be sent in on Monday if you would like to purchase. Thank You!

**Happy
Birthday
Aria!**

**Aria will celebrate her
birthday on Monday,
September 14!**

Save the Date

Please mark October 24 on your calendar, and join us for our school fundraiser at the Montcalm County Fairgrounds!

Kindergarten Schedule

Monday- Art

Tuesday- Gym

Thursday- Music and Gym

Friday- Mass, Music and Library

We will be using our computers, learning key placement, producing short lists/documents, and learning how to print documents throughout the year.

We will also be learning basic Spanish vocabulary, colors, greetings and directions on a daily basis.

Thank you!

Our class would like to thank the 7th and 8th graders for helping and sitting with us at our first Mass this week!

As you might imagine, it is somewhat difficult to bring 12 kids to church alone! All of our St. Charles students did a fantastic job of praying, singing and praising God!

Parents, you are always welcome to join us for 8:30 Mass on Friday mornings!

We had fun this week learning how to type our names and passwords into our computers. We played some educational games on the abcya.com website, which we will be using occasionally throughout the year.

Praying that everyone has a wonderful weekend!
Go Lions!
