

Kindergarten News

September 4, 2026 ✝

Dear Parents,

I hope everyone had a great week! I know it has been a couple long weeks, and the students are tired, but they are still working very hard and getting used to longer days and more work!

This week in class we continued to learn about God's Creation and God's gift of our five senses. We are reviewing letter sounds and practicing number formation, which we will be working on throughout the year. We are practicing the Sign of the Cross, Our Father, Hail Mary, Glory Be, and the Guardian Angel prayer. It is amazing to see the kids' progress in just 2 short weeks!

REMINDERS

- If your child attends after-school care, please send an extra snack in his/her backpack. You can also send a box of snacks to be left in the daycare room if that is easier.
- Students should return library books by Thursday of each week. Please make sure they are returned with the plastic bag the book came home in.
- Please return the large white envelope that is sent home at the end of the week. This makes it much easier to send home all of your child's work. You do not need to sign it, but please take everything out and look it over with your child.
- Blankets/pillows will be sent home at the end of the week. Please wash and return. Thank you!
- Please make sure to return forms/money next week if your child will be ordering pizza on Mondays.

What did we learn this week?

Lewis- Flamingos stand on one foot to keep their body warm

Diego- No running in school

Ronnie- How to be quiet, Cass the Superkid

Easton- God's gift of our 5 senses

Aria- Keeping our hands to ourselves

Scottie- No interrupting

Rory- Writing my letters

Henry- How to be nice

Emilia- Writing on pieces of paper

Colin- Putting puzzles together

Isabella- Doing work, practicing C's

Logan- How to read

I know we learned more than this, but at least we didn't have any "nothing" or "I don't know" answers.

Kindergarten Schedule

Monday- Art

Tuesday- Gym

Thursday- Music and Gym

Friday- Mass, Music and Library

We will be using our computers, learning key placement, producing short lists/documents, and learning how to print documents throughout the year.

We will also be learning basic Spanish vocabulary, colors, greetings and directions on a daily basis.

Save the Date

Please mark October 24 on your calendar, and join us for our school fundraiser at the Montcalm County Fairgrounds! Information was sent home with your child yesterday.

Praying that everyone has a wonderful Labor Day weekend!
