

OUR CLASSROOM newsletter

3RD GRADE 10.5.26

DATES TO REMEMBER

October 7th- Science Projects are due
October 8th & 12th - Parent Teacher Conferences
October 9th- Blessings of the Pets
October 12th- Charity Day
October 15-16th- No School

OUR LEARNING SNAPSHOT:

Writing: This week, we will be putting the final touches on our final drafts and presenting our stories to the class. 🍵✍️

Reading: Last week in reading, we read **Dear Dragon**, a sweet story about a boy and a dragon who become pen pals. Through writing letters, they discover that even though they may seem different, they have many things in common. The story teaches students about friendship, communication, and not judging others before getting to know them. This week, we will begin Module 3 by reading an informational passage about the U.S. Constitution.

Grammar: Last week, we learned about subjects and predicates. This week, we will continue identifying subjects and predicates and move on to combining subjects and predicates.

Phonics: Last week, we focused on the short **i** and **u** sounds. This week, we will work on three-letter blends.

Math: Last week, we practiced our multiplication strategies with 3s and 4s. This week, we will work on multiplying by 7s, 8s, and 9s. I have encouraged the students to practice and memorize skip-counting by 4s and 6s this week. Once they can recite them to me, they will receive a prize! ⭐

Science: Last week, we spent our science time working on our projects. I will not be giving any additional class time to work on them this week. The projects are due on Wednesday, and students will present them on Thursday. I apologize for the mix-up with the dates in the last newsletter.

Religion: Last week, we learned about how God created humans and the dignity of the human person. This week, we will learn about God's promise of a Savior. ❤️🙏

Spelling Test 10.9.26

SPELLING WORDS

BASIC

1. splash
2. strange
3. scratch
4. squeeze
5. squeak
6. squeal
7. screen

16. eighteen
17. elbow
18. program

CHALLENGE

19. straddle
20. splurge
21. scrawl
22. squirrel

Classroom News

Dear 3rd Grade Families,

We had another great week in 3rd grade!

Thank you for all of your support at home with the science projects! I love seeing the students' excitement about their projects and all of their hard work.

I look forward to meeting with all of you this week and next during parent-teacher conferences!

Thank you!
Autumn Murray
