thank math

Student of the Week

Molly Krey is our special student of the week. She has an older sister in fourth grade and a younger sister in preschool. Her favorite restaurant is Applebees and her favorite foods are mac and cheese and fries. When Molly is older she would like to be a fourth grade teacher and a dance teacher. She would also like to learn how to speak spanish fluently. Molly enjoys swimming, biking and going to school. Her favorite animals are a cat and a dog and her favorite subjects are math and art. Way to go Molly! We are so proud of you!

What We're Learning This Week

ELA	Math	Religion	Science/Social Studies
*Focused on asking questions about the story * Focused on the wh sound and reviewed ch and sh. - Focused on the 5 W's and how to write a question. * Focused on writing answers to a question. *Finished a personal narrative about a place the students visited. *Began researching a	*Focused on subtraction strategies *Focused on addition and subtraction word problems *Learning to identify coins and value *Focused on patterns with 5 and 10.	*Discussed why people came to Jesus and what they learned from him. *Focused on the Great Commandment. *Reviewed how we need to love God, others, and then ourselves. *Learned about St. Thomas of Villanova.	*Focused on the parts of a tree. *Observed shrubs and trees. *Observed leaves and discovered how they are all different sizes, shapes and colors. *Focused on different groups we belong to.
