Kindergarten News

October 30, 2026

Dear Parents,
We are certainly being spoiled with beautiful fall weather, and I pray it continues! A HUGE thank you to all of our families who helped make our fundraiser a huge success! Whether you were there working, bought tickets to join the fun, purchased items, or donated prizes and money for our school, we could not have done it without you! We really do have the best parents at St. Charles! Thank you!

Another BIG thank you to all of the parents who donated items and/or helped at our classroom Halloween party! The kids have been extremely energetic this week, and I can only imagine what the countdown to Christmas will be like!

Sunday is All Saints Day, and we have been discussing and learning about some of our special saints! We will be focusing on learning about St. Andrew, but will also be learning about many others, and how we can be examples of saints here on earth. We will be praying for, and honoring our deceased family members and friends. We have a table displayed near the office with pictures and names of loved ones who have passed. Parents, you are welcome to sign names into the book, and/or send me names to write in for you. We also welcome any photos your family would like to share.

Wednesday is the feast day of St. Charles, and students will be treated to a spaghetti lunch in his honor! We will celebrate Mass at 8:30, and, as always, you are welcome to join us for Mass!

Fire Safety Visit

A big thank you to Officer Mike and Sidney, at the Greenville Dept. of Safety, for their hospitality on Tuesday!
The kids were excited to see all of the emergency vehicles, and were treated to a bunch of goodies after the tour!
Officer Mike did ask the kids to do 3 things as a homework assignment.

1. Know mom and dad's names
2. Learn their address
3. Plan a designated meeting spot

The kids all know to call 911 in an emergency, but most of them were unsure as to how to access your phone to dial. It might be a good thing to practice in case of an emergency. Honestly, I have a hard time remembering my own passwords.

Spelling Words
for November 2-11

bet	net
get	pet
jet	set
let	vet
met	wet

Save the Date

November 4- Feast Day of St. Charles
November 3- Flu Shot Clinic
November 9- Charity Day
November 20- Thanksgiving Mass and Luncheon
November 25-27- Thanksgiving Break
December 15- Christmas Program

Dress Code

Please remember that our winter dress code will start on Monday. Students will be able to wear shorts again from April-June. Girls must be in their plaid jumpers, and boys must wear their long pants. Girls may wear shorts under their jumpers, with knee high socks, OR they can wear tight, ankle length leggings with short socks. Please, no sweats, loose "pajama style" pants, etc. ALL SOCKS must be SOLID white, black, gray or burgundy. Bright colored socks, socks with cartoon characters, etc. are not allowed. Please label any sweaters your child wears to school. I know this can be confusing, so please let me know if you have any questions! We appreciate your support in making sure your child is wearing the correct uniform pieces.

Report cards are being marked, and will be available for you during the second week of November. Please note that most of your child's grades are "DV" for developing. Kids are not expected to be proficient on any of the kindergarten standards at this point. To ease your mind, your child is NOT expected to be reading fluently in October, nor do their numbers and letters need to be perfect. We will be working on these skills all year, and I have already seen a LOT of progress! Please continue to have your child practice their sight word list and math facts at home. Thank you!

Have a great Halloween weekend, and don't forget about the time change!

Mrs. Hendee
